

Fire Safety & Fire Extinguisher

Level 1 Certification / Recertification Programme

TARGET AUDIENCE – This course is designed for personnel in all workplaces who could be required to undertake first response to fire incidents requiring the use of portable fire extinguishers and hose reels.

AIM – To assist employees to overcome any reluctance to act in an emergency, recognise and take immediate action to initiate emergency evacuations and carry out initial attack fire suppression actions in the home and workplace until the New Zealand Fire Service or Rural Fire Brigade arrives.

Units	This course is based on the assessment outcomes of the following:	Level	Credit	Version
3271	Suppress fire with hand extinguishers and fixed hose reels	2	1	6
4647	Explain principles of fire science	2	1	4

Date	Duration	Venue
Weekday, Weekend, During Shifts or Shutdowns	0800 - 1200 Hours	On-Site anywhere in NZ

PREREQUISITES – The expected duration to complete this face to face course is 3 - 4 hours + precourse assignment.

COURSE FEES – This service is delivered on a **Flat Fee** for this service basis, at a cost of \$900 + GST per course for up to 20 staff at your site. This fee covers the cost of professional tuition, assessment, use of equipment, certificates & reporting of NZQA credits. A travel and accommodation surcharge will apply for bookings outside of Hawke's Bay.

COURSE CONTENT – This "Hands-On" practical Lifesaving knowledge and skills programme covers types of fire, triangle of fire, types and operation of portable and fixed fire suppression equipment, fire fighting techniques.

PRACTICAL LIVE FIRE EXERCISE – Finally we tie all the theory into a practice by allowing students to extinguish controlled fires of different types and intensity using our live fire simulator. This provides participants with an opportunity to experience using extinguishers and hose reels similar to those used in their workplace.

ASSESSMENT – Progressive theory and practical assessments throughout the course, based on the EMQUAL assessment criteria of each unit standard, including oral questions relating to underpinning knowledge and practical practical fire fighting skills.

CERTIFICATION – Participants who are deemed competent against the NZQA assessment criteria of each unit standard, will be awarded an **Fire Suppression in the Workplace** certificate and be credited with the above unit standards on their NZQA Record of Achievement to validate that they have received structured training in accordance with AS3745 and the procedures on safety and operation set down by the host employer pursuant to the requirements of the Health and Safety in Employment Act, the Fire Service Act, the Fire Safety and Evacuation of Building Regulations.

WHY CHOOSE US AS YOUR TRAINING PROVIDER? – As a private Fire Service and Tertiary Education Organisation, Fire & Rescue New Zealand has over 16 years' experience in the delivery of on-site fire extinguisher, fire fighting, first aid, confined space, breathing apparatus, height safety and rescue training and assessment services.

Our training services are tailored to meet the needs of your business, and they are taught by professional fire fighters with real life operational experience in fire and medical emergencies.
